

A Customer Journey Like No Other

Volly Point of Sale delivers integrated loan officer and customer online functionality. This dynamic solution offers a mobile-responsive design, integrated service providers and a leading-edge mobile application. Let Volly Point of Sale enhance the partnerships between your loan officers and borrowers.

Features:

- ✓ Configurable interview-style application process for purchase, refi, and pre-qual workflows
- ✓ Mobile/app portals for borrowers, loan officers and referral partners
- ✓ Borrower portal
- ✓ Automated credit pull
- ✓ Pricing engine integrations in borrower workflow and loan officer portal
- ✓ Two-way notifications between loan officer and borrower
- ✓ Verification of asset integrations
- ✓ Native mobile app
- ✓ Automated Fannie Mae® Underwriting

Shorten overall application and funding times through an intuitive process. In return, get higher customer satisfaction levels and lower origination costs.
